

## MVD Procedural Quick Update

#5

**RE: ID card application or renewal – DL application questions**  
**Effective date: Immediate**

Date: July 28, 2006  
To: All MVD  
From: Mac Lewis, MVD Policy and Procedures Manager

*[This is the fifth in a series of "MVD Procedural Quick Updates." These updates deal with specific MVD procedures and practices. Field office managers should consistently distribute updates to all personnel and integrate them into regular information and training sessions.]*

**Applicants for an Identification Card (new or renewal) should answer questions 1 and 7, but not questions 2-6, on the Drivers License application form.**

Questions 2-6 on the Drivers License application have no relevance to applications for a new or renewal ID card, and so should not be answered.

Questions 1 and 7 do have to be answered, as they are directly relevant.

For the same reason (irrelevance), we will be removing the DWI Y/N drop-down question from the MVD 2.0 ID card application and renewal modules.
