DISTRIBUTED CODE TABLE	
<b>Code</b>	<b>Distributed or sold:</b>
G.....	to a New Mexico state or federal governmental entity in New Mexico.
N.....	to an Indian nation, tribe or pueblo in New Mexico, or to a tribal member located on the Indian nation, tribe or pueblo in New Mexico.
A.....	to a person located on an Indian nation, tribe or pueblo in New Mexico, who is <i>not</i> a member of the nation, tribe or pueblo.
D.....	to another distributor licensed to distribute in New Mexico.
L.....	other reductions to inventory, such as losses, shrinkage and returns.
NM.....	to a New Mexico <i>retail-only</i> establishment or sold at retail from your facility in New Mexico. If sold at retail from your facility, the sales may be lumped into one line on this report.
State code ....	to a person located in another state; enter the two character state abbreviation for the state where distributed.

**NPM** - Enter an "X" in the NPM column if the manufacturer of the product is a non-participating manufacturer.

**Dist. Code** - You must enter a distributed code in this column to indicate the type of distribution, sale or reduction to inventory. See the Distributed Code Table on this page.

**No NPM report due.** If you have *not* sold any tobacco products from a non-participating manufacturer (NPM) in New Mexico, check this box affirming this fact and do not attach Form RPD-41188, *Licensed Distributor Reporting Form for Cigarette Sales of Non-participating Manufacturer Brands*. If you have sold tobacco products from an NPM, do not check this box, and attach a completed Form RPD-41188.
