Note: Prior to July 1, 2021 Compensating Tax, Gross Receipt Taxes, and Withholding Taxes were reported under CRS (Combined Reporting System). Effective July 1, 2021 the CRS number was updated to the New Mexico Business Tax Identification Number (NMBTIN). These taxpayer numbers (11-digits in length) remained the same during this transition. We are working to remove the CRS reference throughout forms and instructions. However, you may still come across "CRS" please note that is the taxpayers NMBTIN (11-digits in length).
