FORM CRS-1 INSTRUCTIONS FOR PAPER FILING

This document provides instructions for the New Mexico combined reporting system (Form CRS-1) which includes gross receipts, withholding, and compensating tax. Each Form CRS-1 is due on or before the 25th of the month following the end of the tax period being reported. Certain taxpayers are required to file the Form CRS-1 electronically. For more information on whether electronic filing is required for your business, please see **FYI-108, *Electronic Filing Mandate*** which is available through your local district office or online at www.tax.newmexico.gov/forms-publications.aspx

NOTE: If your business has more than three business locations, special codes, or lines of detail to report, you will need to complete Form CRS-1 Long instead of the condensed regular Form CRS-1.

Even if you are not required to file and pay your Form CRS-1 taxes online you may use the free online filing option by going to our web site at <https://tap.state.nm.us/TAP/>

Please note: When completing your form, all pertinent columns must be clearly filled out and completed or your Form CRS-1 may be rejected and returned for correction and will need to be resubmitted.

CRS-1 INSTRUCTIONS FOR COLUMNS A THROUGH H

COLUMN A: On separate lines, enter the name of each municipality or county where you have a business location. The *Gross Receipts Tax Rate Schedule* on pages 3 and 4 has the listing of counties, municipalities and location codes for each. For more detail, see **FYI-200, *Your Business Location and the Appropriate Rate*** available online at www.tax.newmexico.gov/forms-publications.aspx or through your local district office. Report all receipts at your business location(s) even when goods or services are delivered elsewhere. (Corresponds to Column C)

The only exceptions are:

- Construction - the location is the construction site.
- Real estate sales - the location is the site of each property sold.
- Telecommunications - the location is the customer's receiver. For cellular telephone service, the business location is the customer's place of primary use.
- Utilities - the location is the meter recording the amount of service the customer consumes.
- A transaction that occurs on the territory of an Indian tribe, pueblo or nation that has entered into a cooperative agreement with the Taxation and Revenue Department (TRD) - the location is where services are performed and/or where the property is delivered.

Certain situations or types of receipts require a special notation in Column A that has no relation to a county, municipality or other physical location. Below is a listing of those special notations.

- Business without locations or resident sales personnel in New Mexico enter "Out of State".
- Governments or other entities reporting governmental gross receipts enter "GGRT".
- Businesses reporting leased vehicle gross receipts tax use "LVGRT". Enter "LVSur" for the leased vehicle surcharge.
- Businesses reporting a gross receipts tax deduction for the sale of uranium hexafluoride under Section 7-9-90 enter "URHF".

- Businesses reporting a gross receipts tax deduction for electricity conversion under Section 7-9-103.1 enter "ELCONV".
- Businesses reporting a gross receipts tax deduction for electricity exchange under Section 7-9-103.2 enter "ELEXCH".

COLUMN B: Enter the alpha Special Code from below Do not use these codes unless they apply to you. These codes alert the Department's computer system to a special rate, distribution or reporting requirement that may apply to your industry or to the type of deduction being reported

- **S** - Transportation – Information on special reporting requirements is available in **FYI-290**.
- **T** - Interstate Telecommunications – Information on special reporting requirements is available in **FYI-403**.
- **M** - Certain Health Care Practitioners - Only licensed health care practitioners reporting deductions under Section 7-9-93 NMSA 1978 use this special code. For more information on who qualifies for the special code "M" deduction, see **FYI-202**. When using this special code, be sure to indicate zero in Columns F and H for the respective line. **Note:** Do NOT use the special code in Column B for other receipts reported by licensed health care practitioners. Use a separate line for other types of medical-related deductions.
- **F** - Food Retailers - Only food retailers reporting deductible receipts under Section 7-9-92 NMSA 1978 need to use this special code. For more information on who qualifies, please see **FYI-201**. When using this special code, be sure to indicate zero in Columns F and H for the respective line. **Note:** Do NOT claim this deduction for federal food stamp sales paid for with food cards. Not all food retailers qualify for the special code "F" deduction.
- **NH** - Sales by a non-profit hospital – "nonprofit hospital" means a hospital that has been granted exemption from federal income tax by the United States commissioner of internal revenue as an organization described in Section 501(c)(3) of the Internal Revenue Code.
- **GH** - Sales by a government hospital – A hospital license by the Department of Health that is run by a New Mexico state or local government agency, institution, instrumentality or political subdivision. (On the Taxpayer Access Point you must select the location code of 55-055 before you will see this special code.)

- **E** - Certain Sales of Electricity to a Manufacturer - Please refer to **FYI-275** for detailed special reporting requirements for qualified transactions that require the use of this special code. When using this special code, be sure to indicate zero in Columns F and H for the respective line.
- **G** - Certain Sales of Natural Gas to a Manufacturer – Please refer to **FYI-275** for detailed special reporting requirements for qualified transactions that require the use of this special code. When using this special code, be sure to indicate zero in Columns F and H for the respective line.

- **88-888** – If you are reporting for an out-of-state business location. Rate - 5.125%

If a tribe, pueblo, or nation has entered into a cooperative agreement with New Mexico they will have a separate location code listed.

DEDUCTION CODES: Must be used when claiming a deduction that has a separate reporting requirement. The following deduction's must be claimed on their own line:

COLUMN D: For Column D there are two types of entries:

1. For receipts that do not need special codes, enter the total gross receipts excluding tax. This includes taxable gross receipts and deductible gross receipts. Do include receipts that are required to be reported with a special code. Column B must be left blank.
2. For receipts needing special codes, list a separate entry for each business location and each special code. Enter the appropriate special code in Column B. See Column B instructions.

Excluded from gross receipts reported in Column D are gross receipts tax, governmental gross receipts tax and leased vehicle gross receipts tax. There are seven categories of receipts reported on the Form CRS-1 or Form CRS-1 Long:

1. "Regular" Gross Receipts is the total amount of money plus the monetary value of other consideration received from the following transactions: selling property in New Mexico (including certain intangible personal property); leasing or licensing property employed in New Mexico; granting a right to use a franchise employed in New Mexico; performing services in New Mexico, or performing research and development services out of state when initial use of the research and development service occurs in New Mexico;

2. Governmental Gross Receipts are receipts of governments from selling tangible personal property and performing specified services;
3. Interstate Telecommunications Gross Receipts are receipts of interstate telecommunications companies from providing interstate telecommunications services that originate or terminate in New Mexico or that are charged to a telephone or account in New Mexico;
4. Tribal/Pueblo Gross Receipts are receipts from transactions on tribal land that are collected by the Department when the entity has entered into a cooperative agreement with the tribe or pueblo;
5. Leased Vehicle Gross Receipts are receipts from the short-term rental of passenger automobiles that are part of a fleet of five or more vehicles;
6. Leased Vehicle Surcharge is the total due at \$2.00 per day that each vehicle subject to the leased vehicle gross receipts tax is rented. Carry the leased vehicle surcharge directly to Column H. Columns E, F & G should be left blank, and
7. Gross receipts that require a special code (other than Interstate Telecommunications Gross Receipts).

COLUMN E: All deductions that do not require separate reporting can be claimed in this column. Taxpayers reporting deductions using a special code(s) from Column B will have to report the associated gross receipts and deductions for that special code(s) on a separate line.

Note: If you are claiming a deduction that requires separate reporting (Column C) the associated gross receipts and deduction will have to be reported on a separate line.

A taxpayer must maintain in their possession a nontaxable transaction certificate (NTTC), other acceptable evidence or documentation for each deduction claimed in this column. Deductions cannot exceed the gross receipts reported in Column D for that same location. **Business expenses are not deductible from gross receipts.**

For a listing of available deductions, please see **FYI-105: Gross Receipts & Compensating Taxes - An Overview**, available at your local district office or online at www.tax.newmexico.gov/forms-publications.aspx.

COLUMN F: Column D minus Column E.

Note: This amount can never be less than zero.

COLUMN G: Enter the rate from the *Gross Receipts Tax Rate Schedule* or a special tax rate if you entered "S" or "T" in Column B. See the instructions for Column B.

COLUMN H: Enter the Gross Receipts Tax Due for each line by multiplying Column F by Column G.

PAYMENT MADE BY: If submitting payment via Automated Clearinghouse Deposit or Federal Wire Transfer check the appropriate box and enter the date of transfer.

See **FYI-401: Special Payment Methods** for more information on Automated Clearinghouse (ACH).

NOTE: When you provide a check as payment, you authorize TRD either to use information from your check to make a one-time electronic fund transfer from your account, or to process the payment as a check transaction. In the memo section of your check, print "CRS" to identify the tax program, include your CRS number and the filing period the check should be applied to. Including this information will ensure that your payment is applied correctly to your tax account should the Form CRS-1 become separated from your check.

AMENDED REPORT: Check the box if you are amending a previously filed report for the same tax filing period. **NOTE:** If your amended report will result in an overpayment of tax you will have to complete form **RPD-41071, Application for Tax Refund** and submit it with the completed Form CRS-1. Remember to include all supporting documentation with your submittal.

TAX PERIOD: Enter the dates for the filing period that the tax is being reported. The tax period should match the filing frequency listed on your Registration Certificate for your CRS identification number. Filing periods are: monthly, quarterly or semiannually (see page 2).

CONTACT INFORMATION: Remember to clearly print and sign your name, write your assigned New Mexico CRS ID number, telephone number, and e-mail address. This information will be used to contact you if there are any questions during the processing of your Form CRS-1.

CRS-1 INSTRUCTIONS FOR LINES 1 - 7

LINE 1: TOTAL GROSS RECEIPTS TAX.

Enter the sum of all Column H on Line 1 for the total amount of gross receipts tax due. Remember to include all of the Column H in your calculation from any additional or supplemental pages for the reporting period. This line total includes: amounts from governmental gross receipts tax, interstate telecommunications gross receipts tax, leased vehicle gross receipts tax and leased vehicle surcharge.

LINE 2: COMPENSATING TAX.

1. Take 5.125% of the value of:

- property that was manufactured by the person using the property in New Mexico;
- property acquired inside or outside of this state from a person located outside New Mexico that would have been subject to gross receipts tax had the property been acquired from a person with nexus in New Mexico; or
- property acquired or purchased in a transaction with a person located out of state that was not originally subject to compensating tax or gross receipts tax but is later used by the buyer for personal use. (Example: An item is purchased out of state for resale. The item is then removed from inventory for personal use. Compensating tax is due on the value of the item.)

2. Take 5.00% of the value of **services** acquired or purchased from a person located out of state for nontaxable use and then converted to use by the buyer.

For more information on compensating tax, please see **FYI-230 Compensating Tax** available through your local district office or online at www.tax.newmexico.gov/forms-publications.aspx.

LINE 3: WITHHOLDING TAX.

Every employer doing business in New Mexico or deriving income from within New Mexico who pays wages or other remuneration to an employee and who is required to withhold federal income tax must withhold New Mexico income tax. In addition, operators of gambling establishments must, on behalf of the state, withhold 6% from winnings if required to withhold for federal purposes. Gaming operators must include copies of IRS Forms 1099, W2-G or 1042S. Withholding tax tables can be found in publication **FYI-104, New Mexico Withholding Tax** available through your local district office or online at www.tax.newmexico.gov/forms-publications.aspx. Use Line 3 only to report tax withheld from wages and gambling winnings.

LINE 4: TOTAL TAX DUE.

Add Lines 1, 2 and 3.

LINE 5: PENALTY.

Penalty is applied for failure to pay or file on time. Penalty is calculated at a rate of 2% of Line 4 per month or partial month (any fraction of a month is a full month) the Form CRS-1 or payment is late, up to 20% of the tax due or a minimum of \$5.00, whichever is greater.

THE MINIMUM \$5.00 PENALTY IS ALSO IMPOSED FOR FAILURE TO FILE THIS FORM EVEN IF NO TAX IS DUE.

LINE 6: INTEREST.

Interest is calculated daily but the rate will be set at the rate established for individual income tax purposes by the U.S. Internal Revenue Code (IRC). The interest rate changes on a quarterly basis. Please visit TRD's web site at www.tax.newmexico.gov for the current quarterly and daily rate.

Example: Taxpayer's tax due on Line 4 is \$1,000.
The payment due is fifteen days late.

To calculate the interest due: multiply \$1,000 by the daily rate of 0.01643856% (the daily interest rate for the 2nd quarter of 2019). The result is \$0.16438356, which is the interest due for one day. Multiply \$0.1643856 by fifteen (the number of days the payment is late). The interest is \$2.465753425. (Round this number to the nearest cent) Enter the interest due of \$2.47 on Line 6.

Tax Due X Quarterly Interest X Number of Days Late = Interest Due
\$1,000 X 0.00016438356 X 15 = \$2.465753425

NOTE: You are not liable for interest if the total interest due is less than \$1.00.

LINE 7: TOTAL AMOUNT DUE.

Add Lines 4, 5 and 6.

A CRS-1 payment should not be combined on the same check or money order with any other tax or fee being paid to the Department. If possible include your CRS number and the tax period the payment is for in the note section of your check or money order.

Please send your completed Form CRS-1 with payment to:

NM Taxation and Revenue Department
P.O. Box 25128
Santa Fe, NM 87504-5128

New Mexico Taxpayer Bill of Rights

Most tax transactions happen without problems. Sometimes, thought, troubles arise through misunderstanding, mathematical error, missed deadlines, lost papers, high volume of transactions and many other situations. Changes in the law may make earlier information outdated. Over the years the Legislature and the Department have created ways to handle difficulties according to the provisions of the state tax code. Following are some of your rights as outlined in Sections 7-1-4.1 through 7-1-4.3 NMSA 1978:

- ✦ The right to available public information and prompt and courteous tax assistance;
- ✦ The right to representation and advice by counsel or other qualified representatives at any time during your interactions with the Department according to provisions of Section 7-1-24 NMSA 1978, or with the Administrative Hearings Office in accordance with the provisions of the Administrative Hearings Office Act;
- ✦ The right to have audits, inspections of records and meetings conducted at a reasonable time and place according to Section 7-1-11 NMSA 1978;
- ✦ The right to have the Department conduct its audits in a timely and efficient manner and be entitled to the correct calculation of interest as provided in the Tax Administration Act under Section 7-1-67 and 7-1-68 NMSA 1978;
- ✦ The right to simple, non-technical information explaining procedures, remedies and rights during audit, protest, appeals and collection proceedings under the Tax Administration Act;
- ✦ The right to receive an explanation of audit results and the basis for audits, assessments or denials of refunds that identify tax, interest or penalty due;
- ✦ The right to seek review through formal or informal proceedings of findings or unfavorable decisions arising from determinations during audit or protest procedures according to Section 7-1-24 NMSA 1978 and the Administrative Hearings Office Act;
- ✦ The right to have your tax information kept confidential unless otherwise specified by law in Sections 7-1-8 through 7-1-8.11 NMSA 1978;
- ✦ The right to an abatement of an assessment of taxes incorrectly, erroneously or illegally made (Section 7-1-28 NMSA 1978) and a right to seek a compromise of an asserted tax liability. When the Secretary of Taxation and Revenue in good faith doubts that you owe us what we claim you owe, you also have the right to seek a compromise if one exists in your particular case (Section 7-1-20 NMSA 1978);
- ✦ The right to clear information of the consequences if a tax assessment is not paid, secured, protested or otherwise provided for according to Section 7-1-16 NMSA 1978. If you become a delinquent taxpayer, upon notice of delinquency you have the right to timely notice of collection actions that require sale or seizure of your property under the Tax Administration Act, and
- ✦ The right to apply to pay your tax obligations by installment payment agreements according to the provisions of Section 7-1-21 NMSA 1978.

Confidentiality Provisions:

Statutes protecting the privacy of your taxes are strict and are outlined in Sections 7-1-8 through 7-1-8.11 NMSA 1978. Section 7-1-8.2 NMSA 1978 limits requiring the Department to answer questions about whether a taxpayer is registered to do business in New Mexico or is registered for other tax programs. It does not allow employees to say whether you have filed a return. Employees may discuss your account only with you or your authorized representative. A hearing officer's written ruling on questions of evidence or procedure pursuant to the Administrative Hearings Office Act are in the public domain. The name and identification number of the taxpayer requesting the ruling are not public record. Public record includes the monthly gasoline tax reports of numbers of gallons of gasoline and ethanol-blended fuels received and deducted, and the tax paid by each filer or taxpayer pays. Identities of rack operators, importers, blenders,

suppliers or distributors and the number of gallons of gasoline and other fuels are public record. The Department may reveal to the Gaming Control Board the tax returns of license applicants and their affiliates.

Audit Provisions:

The Department must provide you with written, dated notice that an audit is about to begin on a specific date, and the notice must tell you which tax programs and reporting periods will be covered. We must issue a second notice, which states any outstanding records or books of account requested and not yet received, between 60 and 180 days after the audit begins. If you do not produce the records within 90 days, the Department can issue an assessment of tax on the basis of the information as it stands. If you need additional time, you must submit a specific request in writing. Interest on outstanding liabilities accrues if the Department does not issue an assessment within 180 days of the notice of outstanding records or books, or within 90 days after time has expired under your request for additional time; however, you are entitled to an abatement of interest for the period of time after you have complied with Department requests and the Department has not acted on the audit.

Administrative Hearing Procedures:

A hearing officer may not engage or participate in any way in the enforcement or formulation of general tax policy other than to conduct hearings. You may request the Chief Hearing Officer of the Administrative Hearings Office determine if a hearing officer has engaged or participated in the enforcement or formulation of tax policy and if the hearing officer's activities have affected his or her impartiality. The Chief Hearing Officer may designate another hearing officer for the matter. Hearing officers may not communicate unilaterally about a matter you have protested while that matter is still pending. The chief hearing officer may appoint another hearing officer if that occurs. You may request a written ruling on any contested question of evidence in matters in which you have filed a pending written protest. You also may request that two or more protests on related issues be combined and heard jointly, and the hearing officer shall grant the request unless it creates an unreasonable burden on the Department.

Credit Claims:

The Department has 180 days from the filing date to approve or deny a statutory tax credit. If it does not act, the credit is approved. The Secretary decides whether a refund of tax due you may be offset against your other tax liabilities, and you will receive notice that the refund will be made accordingly. You are entitled to interest until the tax liability is credited with the refund amount. Please see the paragraph above on "Audit Provisions" for interest due to you if the Department does not offset a refund or credit against your other tax liabilities within the prescribed time. The Department may make a direct refund of overpaid taxes to the taxpayer without requiring the taxpayer to file a refund claim. The Department does not have to pay interest on credits or refunds if it applies the amount to a tax interception program, to an estimated payment, or to offset prior liabilities of the taxpayer.

Awarding of Costs and Fees:

If you prevail in an administrative or court proceeding brought by you or against you after July 1, 2003, under the Tax Administration Act, you may be entitled to a judgment or a settlement for reasonable administrative costs connected to the action.

Penalty:

The Department may not assess penalty against you if you fail to pay tax when due because of a mistake of law made in good faith and on reasonable grounds. If the Secretary determines that it is unfair to hold a spouse or former spouse liable for payment of unpaid taxes, the Secretary may decline to take action against the spouse or former spouse of the person who actually owes the tax. In extreme cases of delinquency under Section 7-1-53 NMSA 1978 the Department may enjoin a taxpayer from continuing in business after a hearing and until the delinquency is cleared.

Information Required to Claim a Refund

According to Section 7-1-26 NMSA 1978, the following information is required to claim a refund:

- Taxpayer's name, address, and identification number

When to Attach an Amended Return

If your refund is the result of overstating the tax, fees, or surcharges due on a previously filed return, you are required to attach a fully completed amended return for each affected period. Regardless of the number of amended periods, only one *Application for Refund* is required per refund claim.

IMPORTANT: When filing an amended return, submit all supporting forms, schedules, and backup as requested by the instructions.

Interest on Overpayment

The Department requires a complete and approved refund claim before calculating interest on an overpayment. The Department does not pay interest on refunds for the following tax credits:

- Laboratory partnership with small business
- Technology jobs and research and development
- Film production
- Affordable housing
- Rural job
- High-wage jobs

Requirements for Requesting CRS-1 Tax Refunds

The documents to attach when you request a CRS-1 tax refund depend on the reason for your refund claim. To claim a refund of gross receipts tax paid because you did not claim:

- An allowable deduction, attach a copy of either of the following, if applicable:
 - ♦ The nontaxable transaction certificate (NTTC) the buyer executed so the Department can verify the buyer executed it properly and timely

- An exemption, attach documentation necessary to support the exemption (for example, invoices or contracts)

E-filing CRS Returns

If the Department requires you to e-file a CRS-1 return, this requirement extends to e-filing all CRS-1 amended returns.

NOTE: You can only mail RPD-41071, *Application for Refund*, with its required attachments to the Department.

CRS Resources

To find out if you are required to e-file CRS-1 returns, see FYI-108, *Electronic Filing Mandate*. You can find FYI-108 at www.tax.newmexico.gov/forms-publications.aspx. On that page, click **Publications**, **FYIs**, and **100 Series-General Information**.

The following publications describe allowable deductions, exemptions, and credits against these taxes and the required documentation to support a refund claim:

Request for Direct Deposit

If you want your refund directly deposited into your checking or savings account, complete the **Request For Direct Deposit** section. Failure to complete all lines and boxes in this section results in the Department mailing a paper check to the address on file.

STATE OF NEW MEXICO - TAXATION AND REVENUE DEPARTMENT

APPLICATION FOR REFUND Instructions

NOTE: Direct deposits are only allowable to the taxpayer's account. The Department is not responsible if a financial institution refuses a direct deposit, or if misapplication of a direct deposit refund was caused by a taxpayer's error, negligence, or malfeasance.

Lines 1 and 2 and Boxes 3 and 4

Line 1. The routing number, for bank identification, has nine digits. If the first two digits are not 01 through 12 or 21 through 32, the system rejects the direct deposit and you receive a check.

NOTE: If your check states it is payable through a different bank than the financial institution where you have your checking or savings account, do not use the routing number on that check. Instead, contact your financial institution for the correct routing number to enter on this line.

Line 2. Your account number has up to 17 characters. Include hyphens, but omit spaces and special symbols as you enter the number from left to right. Leave unused boxes blank. On the sample check, the account number is **2015551517**. Do not include the check number.

Box 3. Mark an **X** in the **Checking** or **Savings** box to indicate the type of account.

Box 4. Mark an **X** in the **YES** or **NO** box to answer whether the funds for your refund would go to or through an account located outside the U.S. Marking **NO** means the financial institution's location is within the territorial jurisdiction of the U.S., which includes any of the following:

- Within the U.S.
- On a U.S. military base
- In American Samoa, Guam, the Northern Mariana Islands, Puerto Rico, or the U.S. Virgin Islands

What Happens for Different Answers in Box 4

- If you mark an **X** in the **YES** box, you cannot use direct deposit. Either use a different bank account or to leave the **Request For Direct Deposit** section blank to receive a paper check at the address on file.
- If you do not answer the question, the Department mails your refund to you in a paper check. To comply with federal banking rules, anyone who wants their refund directly deposited into their account must answer this question.

- If you answer the question incorrectly, the National Automated Clearing House Association (NACHA) or the Office of Foreign Assets Control (OFAC) may delay, reject, or freeze your refund.
- If your bank does not accept your **Request For Direct Deposit** entries, the Department mails a check to you.

Your Rights and Refund Claims

This sections gives you information about your rights regarding tax liabilities and offsets and about denials of claims.

Tax Liabilities

If you have any tax liability, the Taxation and Revenue Department may offset all or part of an allowed refund against such liability.

To claim a refund of an overpayment due to an offset by the Department, please attach a copy of the offset notice.

Refund Claim Denials

If the Department denies your claim for refund in whole or in part, you may file a protest with the Department within 90 days of either mailing or delivery of the denial, or you may file a lawsuit in Santa Fe District Court.

If the Department does not take action on your completed claim within 180 days of receiving your claim, you may elect to treat the refund claim as denied, which allows you to pursue the remedies stated in the preceding paragraph.

If the Department requests additional relevant documentation from you, the claim is not complete. If you submit the requested documentation within the required time period, the Department uses the date the Department received the complete documentation as the start of the 180 days. If you do not provide the additional relevant documentation, the claim for refund remains incomplete.

For more information about your remedies, please see FYI-402, *Taxpayer Remedies*. You can find FYI-402 at www.tax.newmexico.gov/forms-publications.aspx. Click **Publications, FYIs**, and then **400 Series-Tax Administration**.

8. Receipts from the sale of prescription drugs, oxygen and oxygen services (7-9-73.2);
9. 60% of receipts of hospitals licensed by the Department of Health may be deducted (7-9-73.1); and

Receipts for sales, leases and licenses of tangible personal property, sales of licenses and sale of services or licenses for use of real property that are facilitated by a marketplace provider; provided that the marketplace provider will collect and remit the tax associated with the transactions (7-9-117).

For further information on these deductions see "Deductions from Gross Receipts Tax" beginning on page "Deductions from Gross Receipts Tax" on page 39 or see a "List of Deductions" on page 40.

Although the governmental gross receipts tax is included in the Gross Receipts and Compensating Tax Act and reportable in the same fashion as gross receipts and compensating taxes, it is an entirely separate tax. **The location code used by government agencies for reporting purposes is 55-055.**

LEASED VEHICLE GROSS RECEIPTS TAX AND LEASED VEHICLE SURCHARGE

In addition to gross receipts tax, a leased vehicle gross receipts tax of 5% is imposed on the receipts of a lessor of automobiles when:

1. The lease is for a term of six months or less;
2. The automobile is part of a fleet of five or more leased vehicles;

3. The vehicle is a passenger automobile that will accommodate six or fewer adults; and
4. The lessor acquired the automobile on or after July 1, 1991.

The location code for leased vehicle gross receipts tax is 44-444.

A \$2-per-day leased vehicle surcharge is also imposed except when the vehicle is leased to a person who signs a statement that the vehicle is being rented to temporarily replace a vehicle that is being repaired, serviced or replaced. Report the regular gross receipts tax, the leased vehicle gross receipts tax and the leased vehicle surcharge on the **Form CRS-1**.

The location code for the leased vehicle surcharge is 44-455.

TRIBAL TAXES

The Department has entered into agreements with the Acoma, Cochiti, Kewa, Laguna, Nambe, Ohkay Owingeh, Picuris, Pojoaque, San Ildefonso, Sandia, Santa Ana, Santa Clara, Taos, Tesuque, Zuni Pueblos, and the Jicarilla Apache Nation to collect a tax imposed by these tribes. The Department has also entered into cooperative agreements with the Albuquerque Indian School District Governing Board and the Santa Fe Indian School.

The Department is authorized to enter into similar agreements with all nineteen New Mexico Pueblos and the Mescalero Apache Tribe.

GROSS RECEIPTS TAX

WHAT IS GROSS RECEIPTS?

"Gross receipts" means the total amount of money or the value of other consideration received from selling property in New Mexico, leasing or licensing property employed in New Mexico, from granting the right to use a franchise employed in New Mexico, performing services in New Mexico or selling research and development services performed outside New Mexico the product of which is initially used in New Mexico. Gross receipts includes receipts from:

1. Sales of tangible personal property handled on consignment;
2. Commissions received;
3. Amounts paid by members of any cooperative association;
4. Amounts received by persons providing telephone or telegraph services;
5. Fees received by persons for serving as disclosed agents for another;
6. Amounts received by a New Mexico florist from the sale of flowers, plants, etc., that are filled and delivered outside New Mexico by an out-of-state florist;
7. Providing intrastate mobile telecommunications services (i.e., the services originate and terminate in the same state) to customers whose place of primary use is in New Mexico; and
8. Amounts collected by a marketplace provider engaging in business in the state from sales, leases and licenses of tangible personal property, sales of licenses and sales of services or licenses for use of real property that are sourced to New Mexico by a marketplace provider on behalf of a marketplace seller(s) regardless if the marketplace seller(s) are engaging in business in New Mexico.

Gross receipts **DOES NOT** include:

1. Gross receipts tax, governmental gross receipts tax, leased vehicle gross receipts tax, interstate telecommunications gross receipts tax and local option taxes.
2. Cash discounts allowed and taken.
 - ◆ Example: When a seller offers 2% off for paying cash or for paying within a certain time frame and the buyer takes advantage of the offer, the gross receipts amount is the amount actually received (sales price less 2%). However, manufacturers' coupons redeemable by the seller, i.e. a grocery store, are not cash discounts allowed and taken since the seller will be reimbursed for the face value of the coupon. Gross receipts includes cash received plus the value of the coupon.
3. Gross receipts or sales tax imposed by an Indian nation, tribe or

pueblo if the Indian nation, tribe or pueblo has a similar exclusion for New Mexico gross receipts tax.

4. Any type of time-price differential such as interest or a reduced sale price for pay.
5. Amounts received solely on behalf of another in a disclosed agency capacity.
6. Amounts received by a New Mexico florist from the sale of flowers, plants, etc., where the sale is the result of orders placed with an out-of-state florist for filling and delivery in New Mexico by a New Mexico florist.

WHAT IS THE GROSS RECEIPTS TAX?

The gross receipts tax is a tax on persons engaged in business in New Mexico for the privilege of doing business in New Mexico. The tax is imposed on the gross receipts of persons who:

1. Sell property in New Mexico;
 - ◆ Property includes real property; tangible personal property, including electricity and manufactured homes, licenses, including licenses of digital goods (other than the licenses of copyrights, trademarks or patents) and franchises.
2. Perform services in New Mexico;
 - ◆ Service includes construction activities and all construction materials that will become part of the construction project.
3. Lease or license property employed in New Mexico;
4. Grant a right to use a franchise employed in New Mexico, and
5. Sell research and development services performed outside New Mexico when the product of the service is initially used in New Mexico.

NOTE: Starting July 1, 2019, when billing a customer, the tax must be separately stated or a statement must be provided to the customer indicating that the gross receipts tax is included in the billed amount.

ENGAGING IN BUSINESS

"Engaging in business" means carrying on or causing to be carried on any activity with the purpose of direct or indirect benefit. **For those that lack physical presence** in New Mexico, including a marketplace provider, it means having at least \$100,000 of taxable gross receipts from sales, leases and licenses of tangible personal property, sales of licenses and sales of services and licenses for use of real property sourced to New Mexico in the previous calendar year.

WHAT IS THE GROSS RECEIPTS TAX RATE AND HOW IS IT DETERMINED?

The gross receipts tax rate varies throughout the state from 5.125% to 9.4375%. The total rate is a combination of the rates imposed by:

1. The state,
2. The counties, and
3. The municipalities.

The total gross receipts tax is paid to the state. The state keeps its portion and distributes the counties' and municipalities' portions to them.

The state's portion of the gross receipts tax, which is also the largest portion of the tax, is determined by state law. Changes occur no more than once a year, usually in July.

The counties' portion of gross receipts tax is determined by the county commissions. These increments can go into effect in January and July of every year.

Municipal councils determine the municipalities' portion of gross receipts tax. Like the counties, changes can go into effect in January and July of every year.

Because the combined gross receipts tax rate can change effective January and July of every year, the Department issues a new tax rate schedule twice a year and include it in the CRS-1 Filer's Kit. You can also view the current tax rate schedule online at <http://www.tax.newmexico.gov/gross-receipts-tax-historic-rates.aspx>. Always check the gross receipts tax rate schedule to see if the rate for your business location(s) has changed. **Due to the frequency of tax rate changes, the Department does not send out separate notices of changes.**

BUSINESS LOCATION DETERMINES TAX RATE

Generally, the gross receipts tax rate is based on the business location of the seller or lessor, **NOT** on the location of the buyer or lessee. If your business is located in Albuquerque and you deliver or lease to someone in Santa Fe, you are liable for tax at the Albuquerque rate.

For reporting purposes, business locations are broken down by county, municipality, tribal entity or district on the tax rate schedule. Here are some guidelines for determining your business location.

1. If you are in the construction business, your tax rate is determined by the location of each construction project.
2. If you are in the business of selling real estate, your business location is the location of each property sold.
3. If you are a utility, your tax rate is determined by the location of the meter used to record the amount of service consumed by the customer or the location of telephone set. For cellular service it is the location of the customer's place of primary use.
4. If you are located in a municipality within a county, your rate is that of the municipality.
5. If you are outside any incorporated municipality, your rate is that of the county.
6. If you have more than one store within one municipality or county, e.g., three stores in Las Cruces, you have only one business location (Las Cruces) for reporting purposes.
7. If you have no business location in New Mexico but you have a resident salesperson, your business location is the location of the salesperson.
8. If you have no business location or resident salesperson but are liable for gross receipts tax (for instance, because you lease property used in New Mexico or perform a non-construction service in New Mexico), you are liable for tax at the rate for out-of-state businesses, the state gross receipts tax rate of 5.125%. Use the out-of-state business location code, **88-888**.
9. If you have multiple business locations under one identification number, you should report the receipts for each location separately on a single **Form CRS-1** and be sure the tax rate matches the location by checking the gross receipts tax rate schedule.
10. If you are a craftsperson who sells at craft fairs where you rent a booth, because you can be expected to be found at the booth for the duration of the fair, that booth is a business location and your tax rate is based on the location of the crafts fair.
11. In some counties, more than one location code exists for land owned by a municipality but located in that part of the county outside all municipalities. Examples: State Fairgrounds in Bernalillo County, Santa Clara Pueblo in Rio Arriba and Santa Fe Counties. Use the codes for these specific areas when your location is in one of them.
12. Receipts from a nonprofit hospital licensed by the Department of Health. The exemption is only from the local option portion of gross receipts taxes. The state gross receipts tax rate of 5.125% must be paid. To report these receipts use special code **NH** (Column B).

In some instances, a specific location code may be required when completing the **Form CRS-1** in order to report a certain type of tax or type of receipts. Below are some of those situations.

1. If you are located outside New Mexico and sell research and development services the product of which is initially used in New Mexico, use the state rate, 5.125%. Use the special business location code of **77-777** for those transactions only.
2. If you transact business with tribal non-members on tribal territory, use the tribal location of the sale or delivery rather than your principle business location if that tribe or pueblo has entered into a cooperative agreement with New Mexico. Evidence that a tribe, pueblo or nation has entered into a cooperative agreement is a separate location listed on the *Gross Receipts Tax Rate Schedule*.
3. If you sell uranium hexafluoride and your receipts are deductible under Section 7-9-90, use the special business location code of **D0-001** to report your deductible receipts.

(Available July 1, 2018 to July 1, 2022).

DETERMINING TAXABILITY OF GROSS RECEIPTS

Gross receipts are either taxable, exempt or deductible. If your receipts do not fall under any exemption or deduction, those receipts are taxable. The exemptions and deductions from gross receipts tax that follow are grouped in categories, e.g., agriculture, construction, governmental entity, for convenient reference. Where helpful we have included an example of the application of the exemption or deduction. In cases where an exception to qualifying for the exemption or deduction exists, we have included the exception. Please refer to the Gross Receipts and Compensating Tax Act and regulations for specifics on exemptions and deductions from gross receipts tax.

EXEMPTIONS FROM GROSS RECEIPTS TAX

WHAT IS AN EXEMPTION?

Exemptions from gross receipts tax are receipts which are not taxable and do not have to be reported. Therefore, if all your receipts are exempt, you do not have to register with the Department for gross receipts tax purposes (you may have to register for withholding tax or to obtain nontaxable transaction certificates, though) nor do you have to report those receipts on the **Form CRS-1**. However, if you have exempt, deductible and taxable receipts, you should register and report only the deductible and taxable receipts on the **Form CRS-1**. For administrative purposes, receipts on which no state tax may be imposed because of federal preemption are considered exempt.

FEDERAL PREEMPTION

In some cases, federal law bars New Mexico from imposing its tax on transactions, which, but for the preemption, would be subject to tax. For example, federal law prohibits the application of state and local gross receipts tax on many transactions with Indian nations, tribes or pueblos or their agencies or members if the transaction takes place on the tribe's territory. Receipts from transactions with non-members, even when on a tribe's territory, are not preempted. If you are uncertain whether preemption applies to your transaction(s), contact the Department.

- ◆ NOTE: This preemption does not apply to taxes imposed by an Indian nation, tribe or pueblo.

New Mexico is also pre-empted from imposing:

1. Gross receipts tax on receipts of Job Corps contractors from operating any Job Corps center, program or activity;
2. local option gross receipts taxes on receipts of a provider of direct satellite service from providing direct satellite service; and
3. gross receipts tax on receipts of federal and state credit unions.

DEDUCTIONS FROM GROSS RECEIPTS TAX

WHAT IS A DEDUCTION?

A deduction from gross receipts, like an exemption, results in an amount not subject to tax. However, unlike an exemption, **YOU MUST REPORT ON THE FORM CRS-1 BOTH THE GROSS RECEIPTS RECEIVED (in Column D) AND THE AMOUNT OF DEDUCTIONS YOU ARE ELIGIBLE TO CLAIM AGAINST THOSE GROSS RECEIPTS (in Column E).**

SUBSTANTIATION REQUIRED TO SUPPORT A DEDUCTION

The Department requires taxpayers to retain substantiation in their records when claiming a deduction from gross receipts. That substantiation can be one of the following, depending on the deduction being claimed:

1. Nontaxable transaction certificate (see description on the next page).
2. Farmer or rancher statement - a signed statement from a farmer or

rancher declaring that the person is regularly engaged in the business of farming or ranching (used for agricultural deductions under 7-9-58, 7-9-62 and 7-9-109).

3. Jewelry manufacturer statement - a written statement declaring the purchaser is engaged in the business of manufacturing jewelry and will use the property purchased in manufacturing jewelry (used only for jewelry manufacturing deduction under 7-9-74).
4. Out-of-state buyer certificate, Type NTTC-OSB (see description on page 40).
5. Border state certificate, Type BSC (see description on page 40).
6. Multijurisdiction uniform sales and use tax certificate, Type MTC (see description on page 40).
7. Solar energy deduction written statement - a written statement declaring the equipment or services purchased are for the exclusive use in the installation or operation of a solar energy system (use only for the solar energy systems deduction under 7-9-112).
8. Alternative Evidence—Other documents including invoices, purchase orders, contracts, etc., that demonstrate the facts necessary to support entitlement to a deduction, but the burden of proof is on that person. (As specified in Section 7-9-43, NTTC's must be used by sellers of electricity or fuels that are parties to an agreement with the Department pursuant to Section 7-1-21.1 regarding the deductions in Subsection B of Section 7-9-46).

Nontaxable Transaction Certificate (NTTC)

The buyer obtains an NTTC from the Department to give to a seller. The NTTC entitles the seller to deduct those receipts when determining taxable gross receipts. In practice, this means the buyer is able to purchase goods and services free of the gross receipts tax that is usually passed on to the buyer. The seller must accept an NTTC in "good faith", reasonably assured that the buyer executing the NTTC will use the property or service in a nontaxable manner. A properly executed NTTC is the conclusive evidence that the receipts are deductible from the seller's gross receipts.

The seller needs only ONE NTTC from each buyer to cover all transactions OF THE SAME TYPE with that buyer. Resale certificates issued by other states are not valid as NTTC's in New Mexico.

All taxpayers who wish to execute NTTCs are required to: 1) register with the Department using **Form ACD-31015, Application for Business Tax Identification Number**, and 2) complete **Form ACD-31050, Application for Nontaxable Transaction Certificates** or apply on-line at <http://tax.state.nm.us/tap>. Taxpayers who wish to apply for NTTCs to support the deduction under Section 7-9-46(B) are also required to complete **Form RPD-41378, Application for Type 11 or 12 Nontaxable Transaction Certificates**.

The taxpayer may request additional NTTCs online or view prior executed NTTCs in their taxpayer access point account at <http://tap.state.nm.us/tap>.

For more information on the use of NTTCs, please find FYI-204: *Nontaxable Transaction Certificates* online at <http://www.tax.newmexico.gov/forms-publications.aspx> or request a copy from your local district tax office.

- ◆ NOTE: The Department stopped issuing Type 1, 3, 4, 7, 8, 13, 14 or Type D NTTCs as of January 1, 2004. The Department will continue to recognize those NTTC types in audit situations when the seller has accepted the NTTCs in "good faith", reasonably assured that the buyer executing the NTTC will use the property or service in a nontaxable manner.

Type NTTC-OSB

Unlike other NTTCs, which are obtained from the department by the buyer, the Type NTTC-OSB must be obtained by the seller. The New Mexico seller completes the **Form ACD-31050, Application for Nontaxable Transaction Certificates** and the seller then provides the NTTC-OSBs to their out-of-state customers who:

1. are purchasing tangible personal property either for resale or for use as an ingredient or component part of a manufactured product, or
2. are purchasing a manufacturing service to be performed directly upon tangible personal property the purchaser is in the business of manufacturing, or upon ingredient or component parts of that manufactured product.

The buyer must provide all the required information on an NTTC-OSB

and give it to the New Mexico seller who will keep it on file along with all other NTTCs the seller receives. The documentation requirements for accepting NTTC-OSBs should be carefully observed. See "Out-of-State Buyer Deduction" on page 45 for those requirements.

Border State Certificate

New Mexico sellers may accept the Border State Certificate (BSC) from out-of-state buyers from Arizona, California, Oklahoma, Texas, Utah and the United States of Mexico that are not required to register in New Mexico who:

1. wish to buy goods for resale or incorporation as ingredients or components of a manufactured product, or

COMPENSATING TAX

WHAT IS COMPENSATING TAX?

Compensating tax is an excise tax imposed on persons using property or services in New Mexico as described below (7-9-7).

Compensating tax is designed to protect New Mexico businesses from unfair competition from out-of-state businesses not subject to gross receipts tax.

"Use" means use, consumption or storage other than storage for subsequent sale in the ordinary course of business or storage for use solely outside New Mexico [7-9-3(N)]. See Regulation 3.2.1.30 NMAC for further clarification of the definition of "use".

NOTE: Starting July 1, 2021, compensating taxes will be required to be reported to specific location codes based on changes made during the 2019 Legislative Session in House Bill 6.

COMPENSATING TAX IS LEVIED ON PROPERTY

The following property is subject to compensating tax:

1. Property that was manufactured by the person using the property in New Mexico (7-9-7).

2. Property that was acquired inside or outside New Mexico from a person located outside New Mexico that would have been subject to gross receipts tax had the property been acquired from a person with nexus with New Mexico (7-9-7).

◆ Example: A New Mexico business purchases for its own use computer floppy disks and printer ribbons from a mail order firm in New Jersey that delivers the order by common carrier to the buyer's New Mexico business location. The buyer must pay compensating tax on the value of these products, plus any freight, delivery and handling charges billed by the seller.

3. Property that was acquired in a transaction with a person located out of state that was not originally subject to compensating or gross receipts tax but subsequently was converted to use by the person instead (7-9-7).

◆ Example: An item is purchased out of state for resale. The item is then removed from inventory for personal use. Compensating tax is due on the value of the item.

◆ NOTE: A boot seller has issued NTTCs to various vendors and gives one of the pairs of boots to his daughter. The boots were converted to his own use instead of selling them. The boot seller is liable for gross receipts tax, penalty and interest as would have been due for the sale of the boots given to his daughter. (7-9-43 [F]).

COMPENSATING TAX IS LEVIED ON SERVICES

Services that were acquired in a nontaxable transaction but subsequently were converted to use instead of being used in a nontaxable manner are subject to the compensating tax (7-9-7).

WHAT IS THE COMPENSATING TAX RATE?

Compensating tax is imposed at a rate of 5.125% on the value of the property at the time of acquisition or introduction into New Mexico or at the time of conversion to use, whichever is later.

Compensating tax at a rate of 5% is imposed on the value of services at the time the services are rendered.

The **value of tangible personal property** is the adjusted basis of the property for federal income tax purposes determined as of the time of acquisition or introduction into this state or of conversion to use, whichever is later. If no adjusted basis for federal income tax purposes is established for the property, a reasonable value of the property shall be used (7-9-7). The **value of services** is the total amount of money or other consideration paid for the service unless the reasonable value is greater than the actual amount paid, in which case value would be the reasonable value (7-9-8).

WHO HAS THE LIABILITY FOR COMPENSATING TAX?

1. **Buyer or User** - Unlike gross receipts tax, liability for compensating tax rests with the buyer or user rather than the seller. The buyer has met the tax obligation, however, if the buyer paid compensating tax to a seller

who is an agent for the collection of compensating tax. The compensating tax must be separately stated on the invoice to verify payment (7-9-9).

2. **Agent for the Collection of Compensating Tax** - Persons selling property or property and service for use in New Mexico who are not liable for gross receipts tax on the sales may be liable to collect compensating tax for the state if the person is carrying on or causing to be carried on any business activity in New Mexico (7-9-10).

New Mexico has an Investment Credit Act (7-9A-1) to augment its favorable tax climate for manufacturing operations and to promote increased employment in New Mexico. The credit may be claimed by the taxpayer incorporating the qualified equipment into a manufacturing operation in New Mexico, provided certain employment conditions are met.

The value of the qualified equipment is the adjusted basis established for the equipment under the applicable provisions of the Internal Revenue Code. The employment conditions are:

1. for every \$750,000 of equipment, one employee must be added up to \$30 million, and
2. for amounts exceeding \$30 million, one employee must be added for each \$1 million of equipment.

A taxpayer must apply for the credit. Additional information on the credit is provided with application forms available from the Department. Once approval is granted by the Department, the amount of any available credit may be applied against the taxpayer's compensating tax, gross receipts tax or withholding tax due. The amount of investment credit claimable on any Form CRS-1 is limited to 85% of CRS taxes due. On January 1 of any year certain claimants may cash in their remaining approved credit.

RURAL JOB TAX CREDIT

Eligible employers may earn a credit for each qualifying job created on or after July 1, 2006. The credit may be applied against the state taxes due on the CRS return (excluding local option gross receipts taxes) or against personal or corporate income tax.

An "eligible employer" is one who is eligible for in-plant training assistance. A "qualifying job" is one that is occupied by an eligible employee for at least 48 weeks in a 12-month qualifying period. The "rural area" of New Mexico excludes Albuquerque, Los Ranchos, Los Alamos, Rio Rancho, Santa Fe, and Las Cruces, and the area within ten miles of these municipalities. A "tier one" area is defined as a municipality within a rural area with a population of 15,000 or less. A "tier two" area is a municipality within a rural area with a population over 15,000.

The credit amount equals 25% of the first \$16,000 in wages paid for a qualifying job in a "tier one" area and 12.5% of the first \$16,000 in a "tier two" area. If the job is located in a "tier one" area, the employer may receive a credit for four consecutive years; if it is in a "tier two" area, the employer may take the credit for two consecutive years. A credit once earned is transferable.

LABORATORY PARTNERSHIP CREDIT

When a national laboratory offers certain types of eligible assistance to individual small businesses ("small business" as defined in the federal Small Business Act, P.L. 85-536) in New Mexico and incurs expenses for doing so, it may take a credit against the state portion of gross receipts tax of up to \$20,000 per business or \$40,000 for a business in a rural area. The limit on assistance to a particular small business would apply to the total amount of assistance provided by all national laboratories to that business. When claiming this credit, it cannot be claimed against the local option gross receipts tax liability. The maximum credit for an individual national laboratory is \$2,400,000 in any calendar year. Qualified expenses range widely from wages/benefits to providing mentors to the small business in partnership with the laboratory. The business must certify to the laboratory that the assistance it seeks is not available at reasonable cost through private industry.

investment tax credit), equipment, software, payroll and technical manuals and materials. After approval, the basic credit may be applied against state taxes due on the **Form CRS-1**, excluding local option gross receipts taxes. An eligible taxpayer must apply to this Department for approval of basic credit amounts within one year following the end of the reporting period in which the qualified expenditure occurred.

An additional credit, equal to 5%, can be earned by certain taxpayers who are qualified research and development small businesses and who increase their payroll expenses at a qualified facility over the prior year. These additional credits can only be applied to income tax liabilities. An eligible taxpayer must apply to this Department for approval of additional credit amounts within one year following the end of the calendar year in which the qualified expenditure occurred. A recapture clause applies to both the basic and additional credits.

This credit can only be claimed for receipts after July 1, 1989, and the amount of the credit can not exceed 5.125% multiplied by the amount subject to by both New Mexico and the other state or political subdivision of that state. To claim this credit taxpayers should use the Non-New Mexico Research and Development Credit Form (**RD-1**).

COMPENSATING TAX ON CONSTRUCTION PROJECTS

The credit must be taken for the same report period in which the gross receipts tax is paid. Use the **Form ACD-31077, Special Contractor's Report for Compensating Tax Credit** to compute the credit and attach the form to the **Form CRS-1** with the schedule of computation.

Forms for claiming the above credits and further information on the credits may be obtained from the Department's district tax offices or the Santa Fe headquarters. Contact information for those offices is located on page 2 of this Kit.

Other conditions: the jobs must be created between July 1, 2004, and June 30, 2020, be occupied for at least 48 weeks of qualifying period, and if the job is created before July 1, 2015, pay at least \$40,000 annually if located in or within 10 miles of a municipality of 60,000 or within Los Alamos County; jobs that are located in a municipality with a population of less than 60,000 or in an unincorporated area that is not within 10 miles of a municipality with a population of 60,000 or must pay at least \$28,000. An "eligible employer" means an employer who: (1) made more than fifty percent of its sales to persons outside New Mexico during the applicable qualifying period; or (2) is certified by the Economic Development Department to be eligible for development training program assistance

pursuant to Section 21-19-7 NMSA 1978.

For qualifying periods starting January 1, 2019, an eligible employer can claim a credit equal to 8.5% of wages for new employees in a "high wage" job. The law limits the credit to \$12,750 per qualifying period, the job will need to be occupied for 44 weeks of the qualifying period, and the credit is extended until July 1, 2026. The definition for a "new job" will mean a job that is occupied by an employee who has not been employed in New Mexico by the eligible employer in the three years prior to the date of hire. The definition of "eligible employer" will mean an employer that, during the applicable qualifying period, would be eligible for development training program assistance under the fiscal year 2019 policies defining development training program eligibility developed by the industrial training board in accordance with Sections 21-19-7.

The Mortgage Finance Authority (MFA) is authorized to issue investment vouchers for persons investing in affordable housing projects at the rate of 50% of the investment. The vouchers, which may be sold or transferred, may be applied against gross receipts (excluding local gross receipts tax), compensating, withholding, personal income or corporate income tax liabilities. Unused credits may be carried forward for up to five years. The MFA is required to adopt rules for the approval, issuance and administration of the vouchers.

BIODIESEL BLENDING FACILITY TAX CREDIT

A taxpayer who is a rack operator as defined in the Special Fuels Supplier Tax Act can claim a gross receipts and/or compensating tax credit equal to 30% of the cost of purchasing or installing biodiesel blending equipment. The credit can not exceed \$50,000 for equipment installed at one facility. Taxpayers would apply to the Energy, Minerals and Natural Resources Department which would issue a certificate of eligibility if the taxpayer and their expenditures meet the requirements of the section. Eligible taxpayers would then provide the certificate of eligibility to the Department in order to claim the credit. Approved claims for all taxpayers in one year cannot exceed \$1 million. Credit amounts in excess of a liability can be carried forward for four years. If a credit claimant ceases biodiesel blending without completing at least 180 days of availability of the facility within the first 365 days of issuance of the certificate of eligibility, any amount of approved credit not applied would be extinguished. Taxpayers would be required to file amended returns and self-assess the tax owed and return any tax credit received within 425 days of the date of issuance of the certificate.

UNPAID DOCTOR SERVICES

Licensed medical doctors or licensed osteopathic physicians may claim a credit against gross receipts taxes due for the value of unpaid bills for medical care services performed while on call to a hospital. The value of unpaid qualified health care services cannot exceed 130% of the reimbursement rate for the services under the Medicaid program. The credit can only be taken if the medical services performed remains unpaid one year after the date of billing and the licensed medical doctor or licensed osteopathic physician has reason to believe it will not be paid because: 1) health insurance did not cover the client or the medical services; 2) the client was not eligible for Medicaid, and 3) the charges are not reimbursable under the Indigent Hospital and County Health Care Act. (7-9-96.2)

ADVANCED ENERGY TAX CREDIT

Interest owners may claim the advanced energy tax credit in the amount of 6% of their expenditures for the development and construction of a new solar thermal electric generating facility or a new or re-powered coal-based electric generating unit and an associated coal gasification

facility. Qualified facilities would have to begin construction no later than December 31, 2015. To be eligible, a coal-based generating unit would also need to meet the following criteria:

1. Emit the lesser of (1) what is achievable with the best available control technology, or (2) .035 pounds per million British Thermal Units ("mm Btu") of sulfur dioxide, .025 pounds per mm Btu of oxides of nitrogen and .01 pound per mm Btu of total particulates in the flue gas.
2. Remove the greater of (1) what is achievable with the best available control technology, or (2) 90% of the mercury emitted from the input fuel.
3. Capture and sequester or control carbon dioxide emissions so that by the later of January 1, 2017, or 18 months after commercial operation date no more than 1,100 pounds per megawatt-hour of CO₂ is emitted into the atmosphere.
4. All infrastructure required for sequestration is in place by the later of January 1, 2017, or 18 months after the commercial operation date.
5. Include methods and procedures to monitor the fate of the CO₂ captured and sequestered from the facility.
6. Does not exceed 700 net megawatts nameplate capacity.

To claim the credit, the interest owner would submit to the Department a certificate issued by the New Mexico Environment Department which certifies that the facility is qualified for purposes of the credit. Approved credits could be claimed against a taxpayer's gross receipts tax, compensating tax or withholding tax liability. If the credit amount exceeded the taxpayer's liability, the excess could be carried forward for up to five years. The aggregate amount of tax credit that could be claimed with respect to each qualified generating facility would be \$60,000,000. If a facility that had received certification did not sequester or control CO₂ emissions, the certification shall be revoked and the taxpayer would be required to refund to the state any tax credits already granted for that facility. If the taxpayer demonstrates to the Environment Department that the taxpayer made every effort to sequester or control CO₂ emissions, and that their inability to meet the sequestration requirements was beyond their control, the Environment Department will determine the amount of the credits that shall be refunded. The refund would be required within 180 days of the order by the Environment Department. Expenditures for which a taxpayer claims a credit would be ineligible for credits under the Investment Credit Act or any other credit against gross receipts, compensating or withholding taxes.

ALTERNATIVE ENERGY PRODUCTS MANUFACTURING TAX CREDIT

Manufacturers of certain alternative energy products may receive a tax credit not to exceed 5% of qualified expenditures for manufacturing equipment used in the manufacturing operation. The credit may be applied against state taxes due on the Form CRS-1 (less local option gross receipts taxes). Alternative energy product means an alternative energy vehicle, fuel cell system, renewable energy system or any component of an alternative energy vehicle, fuel cell system or renewable energy system or components for integrated gasification combined cycle coal facilities, equipment related to the sequestration of carbon from integrated gasification combined cycle plants, or beginning in taxable year 2011 and ending in taxable year 2019, a product extracted from or secreted by a single cell photosynthetic organism. If the amount of the credit exceeds a taxpayer's liability, the excess can be carried forward for up to five years. To be eligible to claim a credit, the taxpayer shall employ at least one new full-time employee for every \$500,000 of expenditures up to \$30 million, and at least one new full-time employee for every \$1 million of expenditures over \$30 million. If a taxpayer ceases operations at a facility for at least 180 days within a two-year period after claiming credits, no additional credits will be granted with regard to that facility. Amounts of credit approved, but not yet claimed, will be extinguished and the taxpayer will owe the amount of tax that the claimed credit had offset. For purposes of a recapture of this credit, having ceased operations does not include reasonable periods for maintenance or retooling, for the repair or replacement of facilities damaged or destroyed or during labor disputes.

HOW AND WHEN TO REPORT AND PAY CRS TAXES

You should report gross receipts, compensating and withholding taxes using the **Form CRS-1**. The **Form CRS-1** and tax are due on the 25th of the month following the end of your reporting period. If the 25th falls on a Saturday, Sunday or legal holiday the **Form CRS-1** is due the next business day. A **Form CRS-1** must be filed whether or not any tax is due. If no tax is due, file a "zero" report.

For paper returns that are mailed to the Department, we look at the U.S. Postal Service postmark or time stamp of a qualifying courier service (currently designated by the U.S. Secretary of the Treasury under 26 USCA-7502) on the envelope to determine if a report was filed on time. Please do not mail cash.

If you file your **Form CRS-1** and pay the tax using our online system, the date that the return and payment is submitted to and accepted by the Department, will be used to determine if the filing and payment of tax is timely.

Notice: When you provide a check as payment, you authorize the Taxation and Revenue Department either to use information from your check to make a one-time electronic fund transfer from your account, or to process the payment as a check transaction.

IF YOU OWE \$1,000 OR MORE

Filing Requirements -- You are required to file as a monthly filer if your combined tax liability for gross receipts, compensating, withholding, governmental gross receipts, leased vehicle gross receipts and interstate telecommunications gross receipts taxes and leased vehicle surcharge averaged \$1,000 or more per month for the previous calendar year (regardless of the tax due for the current month), you are required to file your **Form CRS-1** electronically (Regulation 3.1.4.18 NMAC). You can file your **Form CRS-1** on the Department's web site at www.tax.newmexico.gov and select "Online Services."

IF YOU OWE \$25,000 OR MORE

Payment Requirements -- If your combined tax liability for gross receipts, compensating, withholding, governmental gross receipts, leased vehicle gross receipts and interstate telecommunications gross receipts taxes and leased vehicle surcharge averaged \$25,000 or more per month for the previous calendar year (regardless of the tax due for the current month), statute requires your payment in usable funds by the tax-due date. You may choose one of several special payment methods to make the payment, but you must make your payment by the due date appropriate for the method you choose. For the mechanics of the choices and more detailed information, please request "**FYI-401**" from your local district tax office or view it online at www.tax.newmexico.gov under the "Forms and Publications" link.

IMPORTANT: Check the appropriate box on your **Form CRS-1** for payment by automated clearinghouse or federal wire transfer. Your **Form CRS-1** must be mailed on or before the due date, or penalty will be assessed at 2% per month, up to 20%, of the amount of tax due even if payment has been made in a timely fashion.

REPORTING PERIODS

MONTHLY FILING

A monthly filing period is assigned when you register with the Department unless you qualify for and request either a quarterly or semi-annual filing period. Monthly reporting periods are from the first day of the month to the last day of the month; e.g., January 1 through January 31. New businesses whose start-business date is after the first of the month should still use the first day of the month to the last day of the month as the report period. Monthly filers may be required to file their **Form CRS-1** electronically. For more information on this filing requirement, please request **FYI-108**, Electronic Filing Mandate, from one of our local district tax offices or online at www.tax.newmexico.gov under the "Forms and Publications" link.

REQUESTING OR CHANGING FROM MONTHLY TO QUARTERLY OR SEMI-ANNUAL FILING

If you are on a monthly filing basis and your combined total tax due averages \$200 a month or less, you may apply with the Department to file either quarterly or semi-annually. File the **Form ACD-31075**, Business Tax Registration Update (included in this CRS-1 Filer's Kit). Until you receive notification that you have been approved to file quarterly or semi-annually, you must continue to file monthly. Your approval will be effective at the beginning of the next quarterly or semi-annual period. If you are approved for quarterly reporting in February, you would continue to file monthly **Form CRS-1** for February and March; your first quarterly report would be for April through June.

NOTE: If you are approved to file on a quarterly or semi-annual basis and your tax liability exceeds the \$200-a-month average for any twelve-month period of time, you are required to convert to a monthly filing basis. Refer to the **Form ACD-31075**, *Business Tax Registration Update*.

QUARTERLY FILING

Quarterly reporting periods are January 1 through March 31, April 1 through June 30, July 1 through September 30 and October 1 through December 31.

SEMI-ANNUAL FILING

Semi-annual reporting periods are January 1 through June 30 and July 1 through December 31.

CALCULATING LATE-FILING PENALTY AND INTEREST

If you file your **Form CRS-1** anytime after the due date, you should add penalty and interest to the amount of tax due. Penalty is 2% per month or partial month the payment is late up to a maximum of 20% of tax due or a minimum of \$5.00. When you are late filing your **Form CRS-1** and you owe no tax, you still owe a \$5.00 penalty. Interest is calculated at a quarterly rate of 5%. Interest is calculated on a daily basis using the following formula:

$\text{Tax Due} \times 0.0136986301\% \times \text{Number of Days Late} = \text{Interest Due}$

No interest is due if, at the time of payment, interest due is less than \$1.00. Unlike penalty which has a 20% maximum, interest continues to accrue until you make payment.

*** NOTE:** This is the interest rate in effect for the second quarter of 2018. The interest rate is set by the U.S. Internal Revenue Code (IRC) and can change on a quarterly basis. For current quarterly and daily interest rate visit our web site at www.tax.newmexico.gov/.

Your return must be postmarked by the United States Postal Service or time stamped by a qualifying courier service (currently designated by the United States Secretary of the Treasury under 26 USCA 7502) or received on or before the due date, or penalty will be assessed even if payment has been made in a timely fashion.

APPLYING FOR A REFUND

If you find you have overpaid gross receipts, compensating, withholding, governmental gross receipts, leased vehicle gross receipts or interstate telecommunications gross receipts tax, or leased vehicle surcharge, the procedure to follow to apply for a refund is as follows:

1. Amend the **Form CRS-1** for the period or periods in which you overpaid (see "Amending the **Form CRS-1**" below).
2. Complete the **Form RPD-41071**, *Application for Tax Refund* included in the CRS-1 Filer's Kit or available online at www.tax.newmexico.gov under the "Forms and Publications" link. On the form state the amount and type of tax you overpaid and the reason for overpayment. The most common reason for overpayment is neglecting to claim an exemption or deduction to which you are entitled. Be sure to include documentation to support your claim for refund.

You can apply for a refund up to three years after the end of the year in which the payment was due; e.g., if you overpaid on the December 2014 report, you have until December 31, 2018, to apply for a refund of the overpaid amount because that report was due January 25, 2015.

◆ **NOTE:** If the Department denies your claim for refund in whole or in

part, you may file a protest with the Department within 90 days of either mailing or delivery of the denial or file a lawsuit in Santa Fe District Court. If the Department does not take action on your claim within 180 days of receiving your claim, you may either refile your claim if you are within the three-year statute of limitation, or you may file a protest with the Department. For more information on your remedies, you may request **FYI-402** from your local district tax office or view it online at www.tax.newmexico.gov/ under the "Forms and Publications" link.

◆ NOTE: Claims for refund of tribal taxes are to be filed with the Department but will be decided by the tribal taxing authority.

AMENDING THE FORM CRS-1

If after filing a **Form CRS-1** you find that information supplied on that form was incorrect, you should submit an amended form. When amending the **Form CRS-1**, be sure to check the "amended report" box and write in the tax period you are amending. Fill out the form with the information as it should have been filed originally. If you underpaid, be sure to include payment for the difference between what you paid and what you owe. Add penalty and interest on the underpaid amount. If you voluntarily amend a **Form CRS-1** (i.e., without receiving an assessment) within 12 months of the original filing of a return and pay any additional tax due, you will not be subject to penalty, but interest will be due.

ACCOUNT NOTICES

While you are a registered CRS taxpayer, you may at some point receive notices from the Department. A description of the notices that you may receive from the Department are listed below and on the next page.

ASSESSMENT

We issue an assessment for tax, penalty and interest due. The most common reasons for which the Department issues an assessment are:

1. Taxpayer did not include payment with the **Form CRS-1**;
2. Taxpayer paid tax at the incorrect rate. Always check the tax rate for your business location on the tax rate schedule as rates may change in January and July of each year;
3. Taxpayer filed the **Form CRS-1** late without adding penalty and interest for late filing;
4. The Department audited the taxpayer's books and records and discovered unreported receipts or disallowed deductions.

Occasionally the Department will issue an assessment due to a Department encoding error. In these cases the taxpayer has written a check for the correct amount but the Department encoded the check for the incorrect amount. For example, a check written for \$100.00 may be encoded for \$10.00. The Department then receives only \$10.00 from the taxpayer's bank. The taxpayer should verify on their bank statement that the bank paid the lesser amount, pay the principal amount of the assessment, and enclose a copy of the check showing the Department's encoding error. The Department will then abate the penalty and interest amounts on the assessment.

◆ NOTE: the Department will issue assessments to non-members of the Acoma, Santa Clara, Santa Ana, Nambe, Laguna, Sandia, Pojoaque, Cochiti, Kewa, Ohkay Owingeh, San Ildefonso, Taos, Picuris, Tesuque and Zuni Pueblos and the Jicarilla Apache Nation with, and on behalf of, these tribal entities with respect to the tax imposed by these tribal entities. Tribal officials must approve any abatement, closing agreement or installment agreement associated with the assessment.

NOTICE OF BILLING

We issue Notices of Billing the month after issuing an assessment if we have not received payment for that assessment.

◆ NOTE: If you receive an assessment, pay it and then receive a Notice of Billing, don't panic. Your payment probably was not processed in time to clear your account. If you receive a second Notice of Billing for that same assessment, you should contact your local district tax office listed inside the front cover of the CRS-1 Filer's Kit.

NON-FILER NOTICE

We issue a Non-Filer Notice to a taxpayer with an active ID number who has not filed a **Form CRS-1** for a report period. New Mexico statute requires taxpayers with active ID numbers to file for each reporting period whether or not they have any receipts.

◆ NOTE: to clear your account of non-filed periods, file **Form CRS-1** for all non-filed periods. If you are no longer in business, you should cancel your ID number as of the date your business closed using the **Form ACD-31075, Business Tax Registration Update** included in this CRS-1 Filer's Kit or online at <http://www.tax.newmexico.gov/forms-publications.aspx>.

PROVISIONAL ASSESSMENT

Under the automated collection system, the Department can issue Provisional Assessments after we issue a Non-Filer Notice. The amount of the assessment may be based on past amounts paid, or an amount based on industry comparables for the taxpayer's type of business as reported on the registration application.

NOTIFICATION OF OVERPAYMENT

We issue Notifications of Overpayment to taxpayers whose accounts show a credit of at least \$25.

Occasionally the Department will issue a Notification of Overpayment due to a Department encoding error. In these cases the taxpayer has written a check for the correct amount but the Department encoded the check for the incorrect amount. For example, a check written for \$10.00 may be encoded for \$100.00. The Department then receives \$100.00 from the taxpayer's bank. To recoup the overpayment, the taxpayer should complete the **Form RPD-41071, Application for Tax Refund** and enclose a copy of the relevant bank statement so the Department can verify that the bank paid the higher amount.

TAXPAYER REMEDIES

Any taxpayer may dispute the assessment to the taxpayer of any amount of tax, the application to the taxpayer of any provision of the Tax Administration Act or the denial of, or failure to either allow or deny, a claim for refund by filing with the Secretary a written protest. Every protest shall identify the tax or taxes involved and state the grounds for the protest and the relief requested.

Any protest by a taxpayer shall be filed within 90 days of the date of the mailing of the assessment, or mailing to, or service on, the taxpayer of other notice or demand, or the date of mailing or filing a return.

◆ NOTE: a Notice of Billing may not be protested. A protest must be made within 90 days of the date of mailing of the assessment and demand for payment.

◆ NOTE: protests by non-members of the Santa Clara, Santa Ana, Nambe, Sandia, Laguna, Pojoaque, Cochiti, Kewa, Ohkay Owingeh, Taos, Picuris, San Ildefonso, Tesuque, Acoma, and Zuni Pueblos and the Jicarilla Apache Nation of the tribal tax are to be filed with the Department but the tribal taxing authority for the tribes will decide them.

For more detailed information on protest procedures and other taxpayer remedies, request publication **FYI-402, Taxpayer Remedies** (also available online at <http://www.tax.newmexico.gov/forms-publications.aspx>) or contact the Protest Office, P.O. Box 1671, Santa Fe, NM 87504-1671, (505) 827-9806.

If you have under-reported any one tax on the Form CRS-1 by more than 25%, the Department may assess back six years. If you have non-filed reports, the Department may assess back seven years. If there is evidence of tax fraud, the Department may assess back 10 years.

Q: When I am issued a new identification number, what are my NTTC (nontaxable transaction certificate) requirements when: 1) I execute NTTCs to my vendors and 2) I receive NTTCs from my customers?

A:

- 1) Under your new identification number, apply for new NTTCs and execute them with your vendors.
- 2) For transactions after you are issued a new identification number all NTTCs you receive from your customers should reflect your new identification number. Maintain all NTTCs you have previously received in case you need to provide documentation to support any deductions taken before your identification number changed.

You should return to the Department or destroy any unused paper NTTCs issued by the Department to you under your old identification number. Once the old identification number is closed you will not be able to obtain any further NTTC's for the CRS number in TAP.

Q: What is a managed audit and where can I locate more information on one?

A: A managed audit is a variation on a traditional field audit. In a managed audit the taxpayer comes to the Taxation and Revenue Department to request a review of their records for specific period(s) and tax situation(s). Once an agreement is finalized and signed by the taxpayer and the Department, the managed audit will begin. The main benefit of a managed audit, if Option B is chosen, is that the period(s) and situation(s) specified by that managed audit agreement with the Department would be closed from further audit.

For information on who qualifies, what managed audit options are available, and how to apply for a managed audits see **FYI-404, Managed Audits for Taxpayers**. If you would like to talk to someone about setting up a managed audit please call (505)-841-6216.
